

CHERRY GROVE TO OHINEPANE

22km | 4-6 hours from launch to takeout

Your 1-day adventure begins either at our base in Ohakune or at a pickup spot in Taumaranui - the choice is yours. There you will meet your guides before setting off on a peaceful drive through the rolling hills of the central plateau. Once at our launch site, Cherry Grove, your guides will show you how to pack your canoe, paddle efficiently and cover all the necessary information for a safe and fun day. After an exciting morning paddle through bumpy rapids, enjoy a gourmet lunch on the beach. Take a refreshing swim in the mighty Whanganui, then travel further down the river to Lauren's Lavender Farm. Enjoy a peaceful walk through the bush, admire the lavender fields and sip on a cold or hot beverage. After the farm, we continue to our end point at Ohinepane.
