

ITINERARY

Day 01

We depart our base in Ohakune at 7.30am for a scenic drive to Whakahoro on the Whanganui River. After unloading, paddle instruction by the guides, and a practice we set off on the 37.5km paddle down to John Coull hut and campsite. We stop for morning tea and lunch along the way, and paddle past many historic sites from the early Riverboat days, as well as many Maori village sites.

Day 02

After breakfast on day two we paddle 18km down to the start of the Bridge to Nowhere track. After lunch it is a short walk along the remains of the old road to the historic Bridge to Nowhere. Returning to the river it is then a short paddle until we are met by the Jetboat, and then a thrilling 25km ride through the lower gorge and rapids down to Pipiriki where we are met by our bus. It is a one hour drive back to Ohakune for afternoon tea. The trip finishes at around 4pm.
